Walter Johnson will work the first five innings, his last real pitching until the season opens in Philadelphia, Thursday. When this gene was scheduled the Richmond Club insisted that Johnson should prich during part of the content, and Griff assented.

Joe Boehing, the Richmond boy, will pitch the last four chapters, and will doubtless be accorded the same warm welcome which greeted Ray Morgan when the laster played in Hallmore, his home town, with the Nationals, Naturalay one week ago.

CATHOLIC U. MEETS AMHERST TO-DAY

Fast Battle Booked at Brookland Field This Afternoon-Chief Greene to Pitch.

Catholic University will meet the strong Amberst College team this afternoon at University Field. Brookland. The Massachusetts Collegiaus have made a good record on their Southern trip this year and the Brooklanders will have to put up the best article of ball of which they are capable to best them. Coach Moran, of the Red and Black team, will send Chief Greene to the mound this afternoon, in a determined effort to take the measure of the Northernors, and the chinese are that Amberst will find the chief a mighty hand proposition. The only just of the Brooklinders' line-up now unsettled is left field. McGreedy, Zachary, and Bain are all fighting hard for this position, and it is estill doubtful who will land this job. The game this afternoon will be called at 2.30 o'clock.

It is understood that the question of the giving of bonuses to players for signing contracts will be brought up, and that several other important matters will come before the board of directors. There is little doubt but this circuit will be in existence again this season, notwithstanding the many reports to the contrary. So it is piain to be seen that this league is carded to stay.
